## HOME OF THE HORNETS

### HPW SEAPERCH TEAM WINS 1ST PLACE AT HPA COMPETITION!

Our HPW Valentine team soared to a spectacular first-place finish at the 3rd Annual Highland Prep Academies SeaPerch Robotics Competition. Facing off against their sister schools, Madison Highland Prep and Highland Prep Surprise, the Hornets demonstrated exceptional technical skill and strategic execution to claim the top spot on the podium. This victory is a testament to the team's relentless preparation and innovative engineering, solidifying their reputation as a premier robotics program in the community. To secure their trophy,

the HPW Valentine team had to master a series of rigorous underwater challenges. This impressive showing has officially earned HPW Valentine a coveted spot at the SeaPerch National Competition in Maryland, where they will compete against the best student-engineers in the country. The team also had the chance to travel to San Diego at a major regional challenge where they competed with even larger competition. We are incredibly proud of these talented students and wish them the best of luck as they continue their journey to the national stage!

EDITION #40 / APRIL 2026

## Message from the Principal

Dear Hornet Families,

It has been a special month for our Hornet community. From the energy and dedication seen on the fields and track, to the innovation and teamwork displayed at the SeaPerch competitions in Mesa and San Diego, our students continue to make us proud. A heartfelt congratulations to Team Valentine for earning a spot at nationals in Maryland; what an incredible accomplishment that reflects their hard work and passion. I also want to recognize our freshmen and juniors for their focus and determination as they completed State Testing. Your effort matters, and it truly does not go unnoticed.

As we move into April, there is so much to

look forward to: opportunities to connect, celebrate, and create lasting memories. From our Spring BBQ and Spirit Week to the excitement of our spring assembly, Prom, and the senior trip, this is a season full of joy and tradition. For our seniors, especially, these moments are milestones marking the final chapter of their high school journey. Summer Camp registration is also now open for June and July. Forms and fees can be dropped off at the front office.

As always, thank you for your continued support of Highland Prep West. Let's continue to support one another, show our Hornet pride, and make the most of every opportunity. The best part of this school year is still ahead.

With appreciation,

Sharon Pozzi • Principal

## SENIOR SPOTLIGHT OF THE MONTH: ISABELLA RENDON

We are thrilled to spotlight senior Isabella Rendon, who has earned acceptance into an impressive list of 18 colleges and universities,

such as Michigan State University, Texas Christian University, York University, and Oregon State University. She has earned an extraordinary \$2,279,366 in total scholarships. During her time here, Isabella has been an active participant in Volleyball, Best Buddies, Gardening Club, Book Club, and the NSTI Program. This fall, she plans to attend Texas Christian University and pursue a double major in Environmental Science and Biology. Congratulations, Isabella! We are so proud of you!

Avondale's Teen Employment Mentorship Program (AviTEMP), announces recruitment for summer 2026. This popular program has provided employment opportunities to over 300 young adults since it began in 2007.

This temporary summertime employment program offers seven weeks of paid, part-time work within one of several departments in the City of Avondale while providing a unique opportunity to learn from working professionals in city government and how to actively pursue their own career paths.

The AviTEMP 2026 program is set to run from June 1 to July 17, 2026.

## CIVIL ENGINEERING WOODEN BRIDGE DESIGNS

Our Civil Engineering students showcased a masterclass in teamwork and innovation through their wooden bridge designs, primarily using popsicle sticks to test structural limits. By blending structural integrity with creative problem-solving, they have transformed simple materials into impressive feats of engineering. Seeing them navigate technical challenges as a cohesive unit highlights their technical skill.

## AVIATION ACADEMY PROGRAM

We are thrilled to announce a new flight program in partnership with Embry-Riddle Aeronautical University, launching in Fall 2026! This unique opportunity allows 11th and 12th-grade students to jumpstart their professional pilot careers while still in high school. Participants can earn five college credits through dual enrollment, prepare for the FAA written exam, and gain vital simulator experience toward their private pilot license hours. Scan the QR code to join our interest list!

**NEW FLIGHT PROGRAM**

DUAL ENROLLMENT AVIATION PROGRAM IN PARTNERSHIP WITH EMBRY-RIDDLE DESIGNED TO PREPARE STUDENTS FOR THE FAA WRITTEN EXAM AND INTRODUCE REAL FLIGHT TRAINING SKILLS.

- DUAL ENROLLMENT

## PRINCIPLES OF ENGINEERING RUBE GOLDBERG CHALLENGE

Our Principles of Engineering students worked in teams to engineer their own Rube Goldberg machines, turning complex physics into a seamless chain reaction. Each team was responsible for designing a critical mechanism that integrated perfectly with their peers' components to guide a ball through the course. This project was a true test of precision and collaborative problem-solving!

## TEACHER SPOTLIGHT OF THE MONTH

**MR. CONTI**

Mr. Conti teaches World History, Economics, and Psychology at Highland Prep West. He holds a Bachelor of Science focusing on Political Science, Communications and History.

Mr. Conti was born and raised in Phoenix, Arizona. In his free time, he enjoys playing disc golf and attending concerts. Beyond the classroom, he serves as the Speech and Debate and Volleyball Club advisor. Mr. Conti is a vibrant spark in our school community who brings the classroom to light with his energy and passion. His genuine enthusiasm and deep-rooted commitment to our Hornets make him an invaluable part of the Highland Prep West faculty.

## CLASSROOM CONNECTIONS

### BIGFUTURE AMBASSADORS

We're excited to share that 10th grader, Naomi Beasley and 11th grader, Saniya McMurtry have been selected as 25-26 BigFuture Ambassadors, joining a national community of students dedicated to helping peers navigate college and career planning. Congrats, ladies!

### READ ACROSS AMERICA WITH SUN VALLEY ACADEMY

We had a blast hanging out with the awesome K-8 kids at Sun Valley Academy for Read Across America! From sharing stories to making new friends, we loved every second of building a stronger, kinder community together. Huge thanks to Sun Valley for having us!

## HPW WINS 2<sup>ND</sup> PLACE AT HPA TRACK INVITATIONAL

Our track and field team delivered an outstanding performance at the inaugural Highland Track & Field Invitational, securing a remarkable 2nd place overall finish. The day was highlighted by numerous personal bests and a strong sense of team spirit, proving that their hard work truly pays off.

## HPW CELEBRATES TRACK & FIELD SENIOR NIGHT

Senior Night at the Highland Invitational was a special one as we paused to celebrate our seniors for their years of heart, hustle, and total commitment to the program. It's been an incredible journey watching this group grow into the leaders they are today, and we couldn't be prouder of you.

## HPW INCOMING FRESHMEN COURSE REGISTRATION

Welcome to the Hive, Class of 2030! We had such an incredible morning getting our newest Hornets signed up for their freshman classes, sports teams, and summer camps. Incoming Hornet families explored all the opportunities waiting for them at the Hive. Now that the paperwork is done and the schedules are set, the countdown to August is officially on! We can't wait to see you this fall!

## OUR 3<sup>RD</sup> QUARTER 2025-26 ACADEMIC AWARDS ASSEMBLY

Congratulations to our 2025-2026 Quarter 3 Honor Roll and Principal's List recipients! We are incredibly proud to have celebrated our Hornets who earned a spot on the Honor Roll by maintaining a 3.5 GPA or higher, as well as those who achieved the Principal's List with a perfect 4.0 or above. Keep up the great work, Hornets!

## SENIORS CPR CERTIFICATION

We are proud to announce that the Class of 2026 has successfully completed their CPR certification. This vital training provides our seniors with critical, evidence-based skills that extend far beyond the classroom. We commend our students for their focus and dedication to becoming prepared, responsible leaders in our community. We are proud of their commitment to safety and for being ready to make a real difference. Congratulations, seniors, on checking off this important graduation milestone!

New! 2026-2027 School Year

# Principles of AI Course

PLTW Computer Science Pathway

We're thrilled to announce Highland Prep West will be offering Principles of Artificial Intelligence (AI) in the 2026-2027 school year! This semester-long course immerses students in key elements of AI.

## Why Should Students Take Principles of AI?

- **Student readiness:** Bridges the gap between "using ChatGPT" and building future-ready data, modeling, and ethics skills.
- **Policy-aligned and safe:** Establishes responsible AI practices.
- **Workforce relevance:** Connects AI to in-demand careers across STEM, healthcare, and industry to provide clear pathway value.

- ✓ Prompt and context engineering
- ✓ Data literacy and classification
- ✓ Introductory model training
- ✓ Privacy and security
- ✓ Ethical decision-making
